SECRET

FOREIGN POLITICAL MATTERS-
YUGOSLAVIA

On September 23, 1981, CG T-1, who has furnished reliable information in the past, made available a book written in Albanian and entitled "Albania" written by Enver Hoxha, Albania's current president. The source noted that page 212 of the book names nine individuals who are described in the book as working internationally for Hoxha's Marxist Albanian Government and therefore against the current Yugoslav communist regime, as well as against the West. (C)

The names on page 212 are as follows:

Abaz Ermeni	Hajrullah Terpeza	
Luan Gashi	Emin Fazlija	
Jusuf Azemi	Vehbi Ibrahim	
Vasil Andoni	Alinafi Hoxha	(C)
Jusuf Luzaj		(C)

According to the source, in view of the manner in which these persons are depicted, it logically follows that the above named would be primary targets for the Yugoslav Government in their efforts to stem anti-Yugoslav activities. (C)

On October 16, 1981, CG T-2, who has furnished reliable information in the past, learned that Vehbi Ibrahim had been recently assassinated in Belgium. Source advised Ibrahim had fled Yugoslavia to Switzerland and then into Belgium where he was known to be a leader and organizer of the Balikombetar organization. (S)

Balikombetar is an Albanian organization which is against the current communist regime in Yugoslavia. (U)
